1) Open Internet Explorer 10

2) Navigate to the interstop-usa.com web page (but do not log in)

3) Click on **Tools** in the Menu bar (may need to press Alt to see the menu bar)

4) Select **Compatibility View Settings**

5) The interstop-usa.com page should be pre-filled in, if not type it in and click on the **Add** button

Compatibility View Settings

You can add and remove websites to be displayed in Compatibility View.

Add this website:

interstop-usa.com   [Add]

Websites you've added to Compatibility View:

[Remove]

☐ Display all websites in Compatibility View

☑ Display intranet sites in Compatibility View
